Dear Madam,

AUTHORISATION TO USE IPPC MARKS

I am pleased to inform you that with effect from 07 May 2004, you are authorized to use the following IPPC Marks and the unique identification number (SG-10) on all the wood packaging materials which are heat treated in accordance to the Agreement and Terms and Conditions that are listed under the Accredited Scheme For Pest Control Agency To Conduct Phytosanitary Treatment of Imported Risked Goods & Exported Certified Plant Related Materials (PCA Accreditation).

2 In addition to the above IPPC Marks, you are also required to issue a Heat Treatment Certificate (with AVA approved format) to the shipper so that importing authority could verify the treatment as marked on the wood packaging materials. All duplicate copies of the Heat Treatment Certificate issued for the current month should be forwarded to AVA by the following month for auditing. Failure to comply with the above requirements would be treated as a critical non-compliance under the PCA Accreditation.

Yours sincerely
